

A Name Index to the Douglass and Houghton Ledger

July 16, 1812 – May 24, 1819

Douglas H. Shepard

Among the Foote papers in the Chautauqua County Historical Society's collections is a ledger, or part of one, kept first in Cattaraugus and then in Canadaway. It has been reproduced, along with other Foote papers, on microfilm and can be found on the second reel.

The extant volume begins on p.77, on July 16, 1812 at Cattaraugus. The entry for December 28, 1812 is dated "Pomfret" as are all subsequent pages, except for two from January 12 through January 14, 1813, which are headed "Canadaway". An article in the *Fredonia Censor* of June 18, 1873 identified this volume as an account book or ledger kept by Douglass and Houghton, first in Cattaraugus and then in Canadaway (Fredonia).

There are 51 pages remaining, each with individual accounts and comments. For purposes of this index, the pages have been arbitrarily numbered 1-51. The following table indicates the beginning date for each numbered page.
