

If you are starting or continuing a business that requires a Chautauqua County Health Department (CCHD) permit we encourage you to contact CCHD as early as possible. Each type of facility has specific requirements and fees that may not be obvious to a new business owner. Additionally, brand new operations and existing operations that are being transferred to a new owner require a pre-operational inspection before a permit will be issued.

You must submit a complete application package before a permit will be issued. Incomplete applications will be returned for you to complete and will delay your permit being issued.

***A complete application package includes the following:***

**1) Application document that has been completed, signed, and dated.**

Please complete the sections of the application form that apply to the type facility you intend to operate. Please note you must provide an email address on your application to receive a copy of your facility inspection reports.

**2) The associated fee for the specific facility indicated on the application.**

Contact the CCHD to confirm the fee that is required for your facility. Checks and money orders must be made payable to the Chautauqua County Director of Finance. If you wish to pay by credit/debit card, the attached slip must be filled out completely and you must include a 2.5% transaction fee with the total transaction. These fees are non-refundable.

**3) Proof of Workers' Compensation and Disability Insurance**

You must submit the appropriate insurance certificates listed on the application. New York State Labor Law requires the County Health Department to collect these certificates before a permit can be issued. *(You may need to contact your insurance carrier for these forms)*

**Option A: If the business has employees,** NYS requires that you submit one Workers' Compensation and one Disability insurance form from the chart below:

<p align="center"><b><u>Workers' Compensation</u></b> Submit ONE from this list:</p>	<p align="center"><b><u>Disability Insurance</u></b> Submit ONE from this list:</p>
